RE: ADMISSION INTO ORDINARY DIPLOMA IN LAND AND MINE SURVEYING FOR 2017/2018 ACADEMIC YEAR

I am pleased to inform you that your application for admission into the above mentioned program has been approved. You will be registered for the programme in the Department of **Geology and Mineral Exploration**.

Your registration is effective from **Tuesday 2nd January, 2018** and will be conditional to the following:

- (a) That you present yourself to the Admissions Office to register formally for the diploma after paying the required fees. Failure to do so will result in the withdrawal of your admission. Please note that admission can neither be postponed nor differed to the next academic year.
- (b) That you produce evidence of your release from your employer (if employed).
- (c) That you bring original receipt of payment of Institute fees. The payable fees are attached herewith.
- (d) That you bring your original plus copies of birth, academic certificates and transcripts. (The original will be returned after verification). Certificates should include O-level (and A-level if available).
- (e) That you bring two (2) recent stamp sizes colored photographs (with blue background).

Kindly note that your programme lasts for three (3) years and the deadline for the registration will be on **Friday 12th January, 2018**. There will be no registration thereafter. Please note that failure to register for the programme will lead to automatic cancellation of your admission. You will therefore be required to re-apply for the programme when we advertise in the next year.

With this letter, kindly find attached joining instructions.

I look forward to your registration at this Institute and a successful period of study.
